3 Core Features

- **Advanced Active Noise Cancellation (ANC):** Proprietary algorithm that analyzes ambient noise 1,000 times per second to provide near-silent backgrounds.
- **Hi-Res Audio:** Certified for wired and wireless high-resolution playback, ensuring zero loss in musicality.
- **Luxurious Comfort:** Premium memory foam earcups wrapped in protein leather for all-day wearability.
- **Voice Assistant Support:** One-touch access to Google Assistant, Siri, or Alexa.
- **Travel-Ready Design:** Collapsible frame with a bespoke hardshell carrying case.

4 Quick Start Guide

4.1 Unboxing

Inside the box, you will find: 1. Aura Harmony Headphones 2. USB-C Charging Cable 3. 3.5mm Audio Cable (1.2m) 4. Hardshell Carrying Case 5. Flight Adapter

4.2 Pairing

1. **Power On:** Slide the power switch to the middle position.
2. **Enter Pairing Mode:** Slide and hold the switch toward the Bluetooth icon for 3 seconds. The LED will pulse blue.
3. **Connect:** Select "Aura Harmony" from your device's Bluetooth settings.

5 Operating Instructions

5.1 Touch Controls (Right Earcup)

- **Play/Pause:** Double tap the center.
- **Volume Up/Down:** Swipe up or down.
- **Next/Previous Track:** Swipe forward or backward.
- **Transparency Mode:** Cover the right earcup with your palm to instantly hear your surroundings.

5.2 ANC Modes

Press the **ANC Button** on the left earcup to cycle through:

1. **ANC On:** Blocks all external noise.
2. **Ambient Mode:** Mixes external sound with music.
3. **ANC Off:** Passive isolation only.

6 Maintenance & Care

To ensure the longevity of your Aura Harmony, follow these guidelines:

- Clean the earcups only with a dry, lint-free microfiber cloth.
- Do not expose the headphones to moisture or extreme temperatures (45°C or -10°C).
- Store the headphones in the provided carrying case when not in use.
- Avoid using cleaning solvents or sprays.

7 Frequently Asked Questions

Q: Can I use the ANC while using the wired cable?

Yes, the ANC function works in wired mode as long as the battery has power.

Q: How many devices can be connected at once?

Aura Harmony supports multipoint connection, allowing you to connect two devices simultaneously.

Q: Is the battery replaceable?

To maintain the integrity of the design and ANC performance, the battery should only be serviced by Aura authorized centers.

Q: Does it support fast charging?

Yes, a 15-minute charge via USB-C provides approximately 5 hours of playback.

Q: What happens if I lose the carrying case?

Replacement accessories are available for purchase on our official website.

8 Safety Warnings

WARNING: To prevent possible hearing damage, do not listen at high volume levels for long periods. Do not use the headphones while operating a motorized vehicle. Keep the device and accessories out of reach of small children. This product contains magnets which may interfere with pacemakers.

9 Warranty Information

Aura provides a **2-year limited manufacturer's warranty** from the date of purchase. This covers defects in materials and workmanship. The warranty does not cover accidental damage, normal wear and tear (including earcups), or unauthorized modifications.
