1 Product Overview

The **Aura Slate** is designed to be the ultimate companion for creators, students, and professionals. Embracing our *Quiet Living* philosophy, it provides a distraction-free interface and a stunning visual experience that lets your ideas flow naturally. Whether you are sketching a masterpiece, taking detailed lecture notes, or managing complex workflows, the Slate offers the power and flexibility to transform any space into a professional studio.

2 Technical Specifications

Category	Details
Price	\$699.00
Display	11" Liquid Retina, 2K Resolution (2560 x 1600)
Processor	Octa-Core Aura Flow Z1
Memory	6GB LPDDR4X RAM
Storage	128GB (Expandable via MicroSD)
Audio	Quad-Speaker System with Dolby Atmos
Battery	8000mAh (Up to 14 Hours usage)
Connectivity	Wi-Fi 6, Bluetooth 5.1, USB-C 3.2

3 Liquid Retina Display

The 11-inch 2K display is the heart of the Aura Slate.

- **Color Accuracy:** Supports 100% DCI-P3 color gamut, ensuring that what you design is exactly what you see.
- **High Brightness:** 600 nits of peak brightness allows for comfortable outdoor use.
- **Adaptive Sync:** Automatically adjusts the refresh rate to balance smooth visuals with battery efficiency.

4 Creative Workflow & Stylus

4.1 Optional Aura Pencil

The Aura Slate supports the *Aura Pencil* (sold separately) for a natural pen-on-paper feel.

- **Pressure Sensitivity:** 4096 levels of pressure sensitivity for precision line work and shading.
- **Tilt Support:** Tilt the Pencil for artistic shading effects in supported apps.

- **Magnetic Charging:** Attach the Pencil to the side of the Slate to pair and charge wirelessly.

4.2 Recommended Creative Apps

To get the most out of your Slate, we recommend:

- **Aura Sketch:** A minimalist drawing app optimized for the Z1 processor.
- **Flow Notes:** Perfect for handwriting recognition and PDF annotation.

5 Performance & Audio

5.1 Multitasking

The Octa-Core processor and 6GB of RAM allow for seamless Split-View multitasking. Run a video call on one side while taking notes on the other without lag.

5.2 Immersive Audio

Equipped with four symmetrical speakers, the Slate delivers rich, directional sound. With **Dolby Atmos** support, the audio expands around you, providing a cinematic experience for both media consumption and creative editing.

6 Battery & Charging

The 14-hour battery life ensures you can go a full day without a charger.

- **Fast Charging:** Supports 30W Fast Charge; reach 50% battery in just 45 minutes.
- **Battery Health:** Integrated "Eco-Charge" mode limits charging to 80% to extend the long-term lifespan of the battery.

7 Maintenance & Care

- **Screen:** Use only microfiber cloths. Avoid using paper towels or household cleaners.
- **Storage:** When not in use, store the Slate in a protective sleeve to avoid scratches on the glass back.
- **Software:** Regularly check for *AuraOS* updates to maintain system security and stylus calibration.

8 Frequently Asked Questions

Q: Does the Slate support external monitors?

Yes, the USB-C 3.2 port supports DisplayPort output for extending your workspace.

Q: Can I use third-party styluses?

While standard capacitive pens work, only the Aura Pencil supports pressure sensitivity and palm rejection.

Q: Is the storage expandable?

Yes, the Slate includes a MicroSD slot supporting up to 1TB of additional storage.

Q: How do I activate Split Screen?

Swipe up from the bottom to see your open apps, then drag an app icon to the side of the screen.

9 Safety & Warranty

Safety: Avoid prolonged exposure to direct sunlight. Use only certified USB-C cables.

Warranty: Aura Slate comes with a 1-year limited warranty. For enhanced protection including accidental damage, consider subscribing to **Aura Care+**.
