## 1 Product Overview

---

The **Aura Echo** is the heart of the smart home. Designed with a 360-degree acoustic chamber, it fills any room with high-fidelity sound while acting as a seamless hub for your connected devices. Whether you are enjoying a symphony or asking for the morning news, the Echo delivers with clarity and warmth.

## 2 Technical Specifications

---

Category	Details
Price	\$199.00
Audio	3" Woofer + Dual 1" Tweeters (360° Array)
Connectivity	Dual-band Wi-Fi, Bluetooth 5.0, Zigbee 3.0
Microphones	6-Mic Far-field Array
Smart Home	Integrated Zigbee Hub
Streaming	Spotify Connect, AirPlay 2, Tidal

---

## 3 Sound Experience

---

The Echo's unique cylindrical design ensures there are no "dead zones" in your audio.

- **Adaptive EQ:** The Echo uses its microphones to sense the acoustics of the room and automatically tunes the bass and treble for the best performance.
- **Multi-Room Audio:** Pair two Echos for a stereo experience or sync multiple devices via the Aura App for whole-home audio.

## 4 Voice Assistant & Smart Home

---

The Aura Echo is compatible with major voice assistants.

### 4.1 Zigbee Integration

As a Zigbee Hub, the Echo can directly control smart bulbs, plugs, and locks without requiring additional bridges. Simply say, *"Aura, discover my devices."*

## 5 Frequently Asked Questions

---

### Q: Can I turn off the microphone for privacy?

Yes, there is a physical "Mute" button on the top panel. The LED ring will turn red to indicate the microphone is disconnected.

**Q: Does it have an Aux port?**

Yes, there is a 3.5mm line-out/line-in port on the back.

**Q: How do I reset the Echo?**

Press and hold the Action button for 20 seconds until the light ring turns orange.
